

ORCHESTRATION LIST

This is designed to be a quick overview of the pieces and their orchestrations including any optional and alternative parts. By “Optional” we mean that the stated part can be used in the piece but the piece works without it. By “Alternative” we mean that the stated part can be used as an alternative part to one that already exists in the piece.

If you need to read more about a piece and/or you wish to purchase it, then please locate it by clicking ‘Browse All’ or narrowing down your search by clicking on ‘Original Pieces’ or ‘Folk Song Arrangements’.
